Joanne- I have added Nathaniel Waldman to the attached virtual hearing plan. His contact information is also pasted below.

Mr. Waldman is neither counsel nor a witness, but a Case Assistant for Paul Hastings (Cherokee) who may be called upon to provide some tech support during the hearing. I hope it was not too presumptuous to a) add him to the plan; and b) forward him the meeting invite.

My apologies for the tardiness of this information.

Thanks!

Subject: [External] Docket 2020-263-E, Cherokee County Cogeneration Partners, LLC, Complainant/Petitioner v. Duke Energy Progress, LLC, and Duke Energy Carolinas, LLC, Defendant/Respondent- Proposed Plan for Hearing

Sharon- I wanted to provide you with a proposal for the logistics for Monday's hearing. I have discussed these matters with counsel for Duke Energy and ORS. Those counsel may have comments on the below.

1. Opening Statements. While the time limits/guidelines for the length of an opening is still being discussed by Duke and Cherokee, Cherokee would propose that counsel be allowed to make brief opening statements.
2. Witnesses. As mentioned previously, Cherokee (as Petitioner) has filed direct and rebuttal testimony for Mr. Hanson and Mr. Strunk. Cherokee proposes that these witnesses present their direct and rebuttal testimonies separately. I have discussed this proposal with counsel for Duke Energy, and Duke Energy does not object. As a result, this is the witness order proposed by Cherokee:
 - a. Cherokee Direct (Hanson, Strunk)
 - b. Duke Direct/Responsive (Bowman, Keen, Freund, Snider).
 - c. ORS Direct/Responsive (Hipp)
 - d. Cherokee Rebuttal (Hanson, Strunk)
3. Cross-examination/impeachment exhibits (following the procedure established by the Commission)
 - each cross exhibit must be provided in hard copy and as a pdf.
 - sent electronically to Elise Wilson:
 - Clearly identifiable, pre-marked and numbered individually, and provided in its own electronic pdf file
 - PDF file name must state the cross examination exhibit number so that it clear what the no. of the exhibit is without opening the pdf. Must be clearly and easily identifiable (specific labeling instructions required to be followed).
 - hand delivered to Elise Wilson the morning of/prior to the start of the hearing

--Ten paper copies of each cross examination exhibit are to be provided to the Commission in sealed envelope(s) delivered to the attention of Elise Wilson.

Finally, I note that Bill DeGrandis' Petition to be Admitted *Pro Hac Vice* is still pending before the Commission. I thought I would ask the Commission to consider and rule on same at the start of the hearing on Monday, and wanted to give you a heads-up about same.

There may be other issues that I have not addressed above. I am around all day if you would like to discuss these matters, and it is my understanding that counsel for the ORS and Duke have some availability.

Thanks!

Jack P.
